SUMMER 2025

ATHLETIC BOOSTER CLUB

A Message from the President

Dear Triway Resident,

This newsletter is being used to reach all the residents of Triway Local School District to invite you to become a Patron of the Triway Athletic Booster Club and its many activities.

One of the many fundraising activities of the Triway Athletic Booster Club is the listing of patron names in the Fall, Winter and Spring Sports programs. We appreciate those of you who have supported this fundraiser in the past and trust that we can count on you again this coming school year.

Please complete the form in this newsletter by indicating which programs you wish to be listed in, and return it with your donation in the enclosed envelope before August 20, 2025. Due to a printing deadline, if we do not receive your form with your payment by August 20, 2025, your name will not be listed in the Fall Sports program. Any names received after the deadline date will be listed in the Winter and/or Spring programs. Thank you in advance for your loyalty and support! If you should have any questions regarding the Patron listings, please contact Melissa Snyder.

The Triway Athletic Booster Club has a fine tradition of donating thousands of dollars and hundreds of hours in support of various school activities. Included in this newsletter is a listing of projects the Booster Club has supported

during the 2024-2025 school year, as well as upcoming events for the 2025-2026 school year.

if your son or daughter is not currently involved in the Athletic program, your participation in the Booster Club and its fundraising efforts and projects is encouraged and welcomed. Please read through this newsletter, and give careful consideration to the listed events, which you may be inclined to support. Please check any of the projects you are willing to participate in, and a member of the Booster Club will contact you with more details of that particular project.

Our Club typically meets the first Monday of each month at 7:00 p.m. at Triway High School. Your participation in Booster Club meetings and decision making is both valued and appreciated.

Please check out the Booster Club website at www.triwayathleticboosters.com, or friend us on "Facebook."

Together with our administration, coaching staff and student body, we can continue to be a leader and not a follower in today's athletic programs. Please feel free to contact me or any other Triway Athletic Booster Club members with any suggestions or concerns regarding the Triway Athletic Booster Club.

Sincerely,

Matt Shearer
